PROVISIONAL VOTING

There are four possible circumstances in which this can happen:

- The person's name does not appear on the official list of eligible voters for the precinct in which the person seeks to vote;
- The person's voting status has been challenged by an election judge, a poll watcher, or any legal voter and that challenge has been sustained by a majority of the election judges;
- A federal or State court order extends the time for closing the polls beyond the time period established by State law and the person votes during the extended time period; or
- The voter registered to vote by mail and is required by law to present identification when voting either in person or by absentee ballot, but fails to do so.
